"Walk Into A World Where Life Gets A New Meaning"

Old Age, The Magical Chapter Of Life At The Golden Estate

The Golden Estate "An Insignia Moment"

Love, Care & Respect At Its Best

As you age over the years, you step into one of the most magical chapters of life, the old age. Your old age is a time for rejuvenation of mind, body and soul. It's a time to surround yourself with an ambience that your soul yearns for and reconnect with your truest self. Throughout your life you have played the role of a child, sibling, friend, spouse, parent, and a grandparent. Now is the time to live for yourself. To live a life that gives you immense happiness and illuminates your soul from within.

The Golden Estate community is built on pillars of love, care and respect.

The concept of The Golden Estate revolves around offering an exquisite environment where you can connect with people like you, bask in the glory of nature and revel in a comfortable lifestyle.

We strive to make each moment memorable and ensure that you live your life to the fullest. We leave no stone unturned in delivering what we promise so that you feel loved, respected and taken care of.

Love, Care & Respect

Vibrancy & Vitality

Feeling Of Togetherness

The Golden Estate "An Insignia Moment"

Experience A Feeling Of Togetherness

We believe in the uplifting and soothing power of close-knit relationships. By incorporating the joint family concept in our facility, we intend to recreate the feeling of an emotional bond of a big happy family among our residents. A familial alliance enhances personal growth and relations by leaps and bounds.

With each passing day as you meet, talk, collaborate and mingle with your neighbors, your bonds will surely strengthen and surpass the boundaries of just a friendship. Interact with your neighbors over a hot cup of coffee or an invigorating gym session. Share your stories and discover the joy of consciously connecting with others that will guide you on your path of inner fulfillment. Owing to the stress free environment at The Golden Estate, couples have more time and opportunity on their hands to spend quality time and rediscover their relationship.

Connect With Your Roots

Connect With Your Roots

Nurturing cultural roots is the essence of one's life. It's a process comprising of various aspects of existence- experiences, traditions, and values of past generations are brought to view and in turn help in enlightening and enriching us. Through a multitude of community events and festive celebrations at The Golden Estate, we preserve the cultural ties we all share. As you celebrate festivals and events with your neighbors, you not only enhance your social and emotional wellness but also boost your personal well being.

The Golden Estate "Insignia Care"

Your Well-being Is Our Priority

Our trained and ever caring team of doctor, nursing staff and physiotherapist will take care of your health needs. Our thoroughly trained team is always there for any assistance you need.

A secure and safe environment is essential for an uninhibited and non-intrusive atmosphere. We take adequate measures so that you lead a truly free and stable lifestyle. We employ highly advanced electronic surveillance systems of CCTVs throughout the campus. Our professionally trained security staff is always on guard for your safety. We implement stringent safety protocols to ensure decorum without invading your privacy.

The Golden Estate "Insignia Care"

Our Structure

We invite you to stay at The Golden Estate on a short term and long term basis. You can opt for a duration of stay based on your needs and requirements.

We work on a security deposit model along with monthly charges. We understand that each individual has different financial capabilities and requirements hence we provide multiple payment options which can suit & cater to everyone's financial situations. The monthly charges in the models have been priced according to the security deposit amount being deposited with us.

We also provide specialized care aimed at maintaining and restoring physical strength, cognition and mobility in sync to attain effective results in the comforts of a home like environment.

To know more in detail about our financial plans and structures, you can visit our website

The Golden Estate "Insignia Services"

Be A Part Of The Golden Estate Family

We offer independent, assisted and special care to our residents depending on their needs. Residents, who are fully capable of taking care of their daily needs, can opt for independent living option. Assisted and special care living caters to the need of people who require assistance in carrying out their everyday chores.

To ensure amiability and a familial feeling among all the residents at The Golden Estate, we require that all residents meet a few basic pre-requisites. These include:

- Medical Fitness

We're not well equipped & trained to take care of patients suffering from physical disability, chronic diseases or Alzheimer's disease.

- Nationality

We welcome people of all nationalities. However the following requirements need to be taken care of:

In case of a PIO, valid documents for a long term stay in India is required.

In case of a foreign national, a copy of the passport with valid visa is required.

We Are Always By Your Side !

Now that you have come so far, you're just one step away from meeting us. With a phone call you can connect with our representatives and become a part of our family whenever you wish. We're all ears for your concerns and you can always count on us. Our dedicated team at TGE is fully equipped to take care of your every need ensuring that your Golden Years become a celebration of life.

"Enjoy Your Golden Years To The Fullest!"
